Please come and be a part of the Third Annual Collegiate Peaks Music Festival (CPMF) in the heart of historical downtown Buena Vista and the Arkansas River Valley. August 2008 will host an expanded three-day event with various Colorado bands, Beer Garden and artisans and food vendors with an anticipated crowd of 2,000-4,000. As August 15-17, 2008, draws near, we will be releasing additional information via our website, collegiatepeaksmusicfestival.com, newspaper and radio spots.

Buena Vista lies in the Arkansas Valley at the base of the beautiful Collegiate Peaks, 2 hours from Denver and 1 ½ hours from Colorado Springs. Please indicate your needs on the vendor application – we will try to accommodate special requests. Local vendors who hold a Buena Vista Business License will be offered a reduced booth fee. Please contact Diane Spomer at 395-8643 x10.
